## **MAJOR BASEBALL DIVISION RULES FOR 2024**

### ***GENERAL RULES***

1. The home team is listed second on the schedule and is responsible for the setup and takedown of the bases, screens, helmet racks and any other GPAA equipment. Home team will occupy the third base dugout. The visiting team will occupy the first base dugout and is responsible for post-game raking at the pitcher's area, home plate, and the infield.
2. Base lines are 75 feet from the back of home plate to the back of the base; pitching distance is 50 feet from the front of pitching rubber to rear point of home plate.
3. Each team supplies one game ball to the Home Plate Umpire.
4. Length of game will be 6 innings. 4 innings will be considered a complete game or 3 ½ innings if the home team is leading. There are no tie games. No new inning will begin after two hours have elapsed from the first pitch.
5. A team's inning shall consist of three outs or six runs, whichever occurs first. EXCEPTION: If the batter/runner drives in the sixth run of the inning, play is still live and remaining baserunners may still score. Maximum number of runs scored in an inning is 9.
6. If an uncompleted game (as defined in #4 above) is stopped by darkness or weather it shall be rescheduled as a new game.
7. If a game is stopped by darkness or weather when the score is tied and it is a complete game (as defined in #4 above) it shall be suspended and continued from that point on the next available date. The only players that are allowed to play in the continuation of the game are the players present at the original game and pitching rules apply as if the game never stopped. If an original player is not available for the rescheduled game, a callup can be used in their place.
7. All rostered players present at a game will bat the entire game, and must play a minimum of three innings in the field. Once removed from the game defensively, all players may be reinstated at any position for a minimum of one inning.
8. A team can play with 8 players. When starting the game with 8 players, the 9<sup>th</sup> batter in the lineup is an out. The pitcher must throw 3 pitches (which will be strikes), as if there is a batter in the box. The ball is live and runners can advance at their own risk. Once the 9<sup>th</sup> player shows up they will be inserted into the lineup and will be put in the field immediately. If a team starts with 9 and then a player leaves, the out is taken in that spot. If a player leaves due to injury and a team now has 8 players, no out is taken for the 9<sup>th</sup> spot. If a team falls below 8 players, the game is immediately forfeited.

### ***FORFEIT TIME***

Forfeit time for all games shall be 15 minutes after the official scheduled starting time. (Exception: This time may vary only on agreement among two opposing managers and the Home Plate Umpire.)

### ***BATTING AND BASERUNNING RULES***

1. Bats must have the USA Baseball logo, the BBCOR logo or be Wood. All other bats will be illegal. If a player is caught using an illegal bat they will automatically be called out. The play is dead and all runner(s) will return to their bases.
2. Bunting is allowed.
3. The Infield Fly Rule does apply.
4. The dropped third strike is in play. Batter/runner may advance on a dropped third strike if first base is unoccupied or there are two outs.
5. If a batter throws the bat after a swing, the umpire will automatically call him out. The play will be dead; runners may not advance.
6. Runners may advance at their own risk when the ball is considered "live".
7. A batter may not fake a bunt and then swing. Batter will be out and the play will be dead; runners may not advance.
8. A base runner may not clap while on base. A warning will be issued on the first offense of clapping by a runner. If it occurs again, the runner will be called out.
9. When there are two outs and the catcher or pitcher is on base, a courtesy runner may be used for the either. (Runner will be the player that made the last out).
10. On any ball hit to the outfield fence at Big Gompers that crosses the bike path, the batter and all runner are awarded two bases from where they were at the time of the pitch. A ball that bounces over the fence is a ground rule double. A ball that clears the fence on the fly is a home run.

### ***PITCHING/FIELDING RULES***

1. Each pitcher is allowed three innings. One pitch is considered an inning. The three innings do not need to be consecutive, but the pitcher may only come back to pitch one time in a game.
2. A pitcher must be removed for the remainder of the game upon hitting the third batter of his stay on the mound.
3. On the manager or coach's second visit in the same inning, the pitcher must be removed from the game. EXCEPTION: On the occasion of an injury, the manager or coach will not be charged with a visit to the mound.
4. Balks rules are enforced for the full season. A pitcher will be issued up to 3 warnings for the first ½ of the season and one warning for the second ½ of the season (as noted on the schedule) and playoffs.
5. Any hidden ball trick will be considered a dead ball. Note that a fielder faking a throw is not considered a hidden ball trick. The hidden ball trick is a deceptive transfer of the ball from the pitcher to a fielder.
6. A catcher's mask must be worn by any player who warms up the pitcher, whether during practice, before a game or during a game.
7. No intentional walks. In the judgment of the umpire if a pitcher is deliberating pitching around a batter it will be declared a no pitch.

### ***SLAUGHTER RULE***

Upon leading by 15 or more runs after 4 complete innings, or 3 ½ if the home team is in the lead, the game will be terminated and the team in the lead will be the winner. Upon leading by 10 or more runs after 5 complete innings, or 4 ½ if the home team is in the lead, the game will be terminated and the team in the lead will be the winner.

### ***INFIELD FLY RULE***

An Infield Fly is a fair ball which can be reasonably caught in the infield by an infielder or outfielder and which occurs when there are fewer than two outs and there are runners on first and second or first,

second and third, the batter will automatically be out and the runners may advance at their own risk. If the umpire fails to call INFIELD FLY the rule cannot apply.

### ***LIGHTNING POLICY***

When thunder is heard or a lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Suspend play and remove all players from the field and park. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is seen prior to resuming play. For any subsequent thunder or lightning after the beginning of the 30-minute count, reset the clock and another 30-minute count should begin.

### ***INJURIES***

When a player is injured the umpire will call a time out immediately. Runners will be entitled to the base(s) as determined appropriate by the umpire. Home Plate Umpire's decision is final on all matters related to injuries.

### ***UNIFORMS***

1. Uniforms are to be worn in regular season games only, not for practice.
  - (A) Uniform is hat/visor, shirt, socks & pants/shorts approved by the Association. Athletic shoes must be worn. No other head apparel will be allowed.
  - (B) Player without full uniform will not be allowed to play. EXCEPTION: In the event of a last minute substitution managers must agree if player can play without uniform.
2. Uniform shirts must be tucked in at all times. Failure to comply with this rule will be as follows: Batter will be called out if this is noticed before the batter has taken a swing. If the play has happened and this is noticed, then the batter will not be called out, but must fix the shirt. A fielder will be warned once and removed from the game for 1 inning if shirt continues to not be tucked in.
3. All boys are required to wear an athletic supporter and protective cup at all practices and games. No boy will be allowed to play or practice without a supporter and cup.
4. All players are required to wear a helmet when at bat or on the bases, during the games and practices. Intentional removal of a helmet by a batter or base runner, while the play is in progress, will result in that player being called "OUT." (Umpire judgment).
5. All batters must remove jacket, sweater, sweatshirt, etc. so that the uniform number is visible while batting. (In cold weather, a jacket or sweater may be worn over the uniform shirt on the bases and in the field.)
6. No metal spikes or opened toe shoes shall be allowed.
7. A team warning should be made during "ground rules" regarding jewelry. **Absolutely NO jewelry is to be worn by any player during practice or games. Any player caught wearing jewelry during the game while on the playing field or in the dugout will be ejected from the game. This rule is for the safety of all players on the field and will be strictly enforced. Band-Aids or other forms of concealment will not be allowed.**

### ***SUBSTITUTIONS***

1. When less than nine members of a baseball team are present for a game, the manager may substitute from a lower (younger) division of Gompers Park rostered players to make nine players. A forfeiture of a game occurs when a team has seven or less players. On the 3<sup>rd</sup> occurrence of this situation, for any one team, after a report from the Vice-President, the Board of Directors may review for possible action to remedy the situation.
2. Substitutes may not be used as part of the battery for Pony and Major Girls. Substitutes may only play the outfield for all other divisions.
3. Substitutes must bat at the end of the lineup and not before any rostered players. If a rostered player arrives late, then that player will bat after the substitute.

4. Substitutes from baseball divisions for baseball and softball divisions for softball.
5. Substitutes will abide by rules of division in which they are substituting.
6. Substitutes can play on any team that calls for a specific game.
7. If a substitute is called up for a game and for any reason there are now ten or more rostered players of the team that called the substitute up, the substitute cannot play for the team that called him/her up. The manager must use his or her best efforts to not have the situation occur, since it is not fair to the player that has come to the game as a substitute. The substitute would be eligible to play on another team that was short on players, if this situation occurred.
8. Managers are expected to work together to field full teams for all games. For example, under no circumstances should a team with ten players (nine regular rostered players of that team and one call-up) win by forfeit over a team that has only seven or eight rostered players. The other team should transfer the call-up to the other team and the game played to completion.
9. When call-ups play in a game, they must play at least ½ of the game in the field and bat the entire game.

7. A contact avoidance rule will be enforced. Any deliberate, forceful or intentional contact with a fielder will result in the runner being called "out" regardless of the location of the ball. **REMEMBER:** it is the responsibility of the runner to avoid the fielder whether the fielder is fielding a batted ball, receiving a thrown ball or tagging a runner. If the fielder impedes the runner, interference will be called on the fielder and the appropriate base or bases will be awarded to the runner, but under **NO** circumstances should the fielder be considered "fair game" to the runner.
8. An overthrow is a dead ball. An overthrow is defined as a ball thrown beyond the boundaries of the field. The runner is entitled to the base he is facing and advancing towards plus one.

2. There are no appeals. Umpire has final judgment on all calls.
3. The Home Plate Umpire has the final word on any play. In certain situations, he/she may confer with the base umpire if requested to do so by a manager or coach. In those cases, the decision may or may not be overturned depending on the outcome of the conference. The Home Plate Umpire still has the final decision in these cases.
